Hot Weather Merchandise At the Dulin Store

This sale has been planned for months. We were perspiring over the many details to be worked out to make the sale a success while other people were shivering in wintry blasts, and hot weather was too far away for them to think about.

What we have accomplished in gathering this merchandise for your selection, this page tells.

We are not going to set forth a lot of arguments as to the values represented here. You know what they are---and the better you know, the more you appreciate this sale and the opportunities it offers.

Come the first and every day. You are welcome if you don't spend a cent, but we hardly think you'll be able to resist the temptation to take some of these good values home with you.
